Match.com plot tricks lady into £174,000 handover

WOMAN LOSES SAVINGS TO LOVE SCAM

A BASINGSTOKE woman fooled by scammers on dating website match.com handed over £174,000 in an elaborate romance confidence trick.

Suzanne Hardman was one of nine vulnerable women fooled out of £220,000 after falling for lies by connen on a fake match.com profile, Winchester Crown Court heard.

A jury took two days to find Monty Emu, 28, of Frencham Road in Southsea, Portsmouth, and Adewunmi Nusi, 26, of Bomford Close in Hermitage, Berkshire, guilty of money laundering on Monday.

By **Mathew Di Salvo**
mathew@taylornewspapers.co.uk

Emmanuel Oko, 29, of Waverley Grove, Southsea, pleaded guilty to conspiracy to defraud and money laundering, while Chukwuka Ugwu, 28, of Somers Road, Southsea pleaded guilty to money laundering on the first day of the trial three weeks ago.

A fake profile on match.com under the name James Richards was used to trick the women into transferring them money.

They said they needed to borrow the cash so they could access a £1.5million inheritance from a bank in India.

The nine women were sent fake passports and details of a fictitious Rob Thompson of Quality Solicitors, to trick them.

Detective Constable Darrin Carey of Hampshire Constabulary, leading the investigation, said: "This case centres around a web of lies constructed by a devious group of people with the sole intention of exploiting emotionally vulnerable women for financial gain."

Left feeling 'used and embarrassed'

• From front page

"All members of this group played their part in these offences, which left nine women feeling used and embarrassed and has seen them lose significant amounts of money."

An email sent to Ms Hardman from "James Richards" told her: "I like the person I am when I am talking to you."

It continued: "You made me complete now Suzanne I have a reason to try, now I have a cause to believe in all the wonderful things life has to offer."

Cash sums ranging from £700 to £174,000 were sent to a man the women believed they would be romantically involved with.

A fifth defendant, Brooke Boston, 28, of Chelsea Road, Southsea, was found not guilty of money laundering and conspiracy to defraud.

The judge ordered a further defendant, Eberechi Ekpo, 26, of Adair Road, Southsea, be found not guilty.

"Oko and others exploited the women's vulnerability by sending protestations of love and affectionate messages to ensure financial reward."

Man kicks at dog

BASINGSTOKE: A man was punched in the head in Basingstoke after trying to stop a 'commuter' kicking out at his dog last month.

A 58-year-old man was walking his dog on a footpath to Norden Close allotments when another man passed and tried to kick his dog near Great Western Cottages between 5.45am and 6am on August 22.

The attacker, who police think is a commuter, started to walk away but then turned back and punched him twice, cutting his head open.

Lord-Lieutenant of Hampshire retires

THE Lord-Lieutenant of Hampshire retires today after 20 years of service to the county.

Dame Mary Fagan was appointed by the Queen in 1994 and has since coordinated a variety of prominent events including the D-Day commemorations in 1995, the Diamond Jubilee in 2012 and the 60th Anniversary of the Coronation in 2013.

In total she has been responsible for 800 Royal visits to Hampshire.

Dame Mary said: "I shall cer-

tainly miss meeting the people who work so hard to make Hampshire the vibrant and successful county that it is.

"In my 20 years I have seen many changes in Hampshire and such is the nature of life that things will continue to change.

"I am, however, confident that with the ingenuity and hard-working people of Hampshire the county will continue to thrive and prosper for many years to come."

Nigel Atkinson, who has been deputy lieutenant since 1999, will succeed Dame Mary.

Basingstoke's Scots - should Scotland stay or go?

WITH only a week before Scots head to the polls to vote on whether Scotland should be an independent country, Scots living in Basingstoke have been telling the Observer their views:

Ted Martin, 69, of Pakenham Road in Basingstoke, originally from Morayshire, said:

"The whole argument is based on oil which is diminishing and if you listen to oil experts it might last 30 to 50 years but after that we have nothing. My sister lives in Dundee and they are absolutely dreading the yes vote. One question I really want to ask is if Alex Salmond loses, will he resign? It will be very interesting."

Walter McCormick, 74, of Kempshott in Basingstoke, originally from Renfrew near Glasgow, said:

"I am absolutely against the suggestion of independence. I see the break up of the UK as doing nothing good for Scotland and the UK. There are many ramifications that have not been thought through."

Edward Dawson @DawsonConsults - 22h
@BasingstokeNews Strongly against the separation of Scotland.

Nic McJannet @Nic_McJannet - 22h
@BasingstokeNews very hard to say. Could be good for both countries, could be incredibly expensive change for change's sake.

Anger over Tesco's plans for Brighton Hill

RESIDENTS hit out at plans to build a new Tesco in Brighton Hill during a public consultation on Friday and Saturday.

About 400 residents viewed the supermarket giant's proposals at the Viables Community Centre in The Harrow Way.

Gina Oxer, 62, from Cobbett Green in Brighton Hill, said: "All local businesses will suffer."

"We want affordable housing for the young, not a new store."

"They have no regard for the quality of life of people in the town."

"Noise, pollution and traffic have not been considered."

She is a member of Tesco Action Group of campaigners against the proposals.

The group relaunched when

By **Mathew Di Salvo**

mathew@taylornewspapers.co.uk

they heard of the new £5million plans for the store and 48 homes in Winchester Road.

The group originally launched several years ago to fight similar plans by Tesco on the same site - which were rejected in 2012 by Basingstoke and Deane Borough Council.

The revised plans are for a smaller store, 48 homes, and 344 parking spaces to create 200 jobs on the former Smiths Industries site.

Campaigner Harry Lund, who lives off Harrow Way, added: "We took them on last time

and thought we had won. We haven't."

"Since I have lived in Basingstoke, I have seen the town change dramatically - and for profit, not progress."

"This is all about profit for the big boys and I am worried about local businesses."

Winchester Road resident Brian Biles, 71, said: "There is nothing positive about it, there is only one person we have seen at this consultation who is for it."

"Traffic will be horrendous."

The store in the new plans is two-thirds of the size of the store in the previous application.

Tesco are also not including a pharmacy, post office, optician and travel agents as in the previous plans after concerns were

raised that it would threaten neighbouring businesses.

Basingstoke and Deane borough councillor Mark Taylor, of Brighton Hill, said: "I don't believe we need another supermarket."

"What Basingstoke needs are houses."

"More traffic in the area as a result of this store is something I am particularly worried about."

"I will get what the people of Brighton Hill want."

Jack Pearson, the corporate affairs manager for Tesco South East, said: "We were delighted to see so many people at our exhibition and to have the opportunity to discuss our new plans with them."

"We'll take some time to con-

sider the feedback before any plans are submitted."

Shop front make-overs to improve town centre

By Mathew Di Salvo

mathew@taylornewspapers.co.uk

TEN businesses in Top of the Town have been given £5,000 to help improve their shop fronts.

Church Street shops Area 51, The Property Explorer, Skoolkit Church Street Models, as well as London Street stores Foyles Newsagents, Design ACB, and Tea Bar, Winchester Street shops Basingstoke Service Centre, Sansome and George, and Squirrels Antiques in New Street each got the grants.

Basingstoke and Deane Borough Council announced the successful businesses on Monday.

The council launched the project this year for business owners to make their shops more eye-catching.

Foyles Newsagents owner Raj Lingham, 47, said: "At the moment, the shop front is very dirty and old so it will do the business good."

"The grants will be great to improve the area and help out businesses too."

David Langley, 51, owner of Church Street Models, which sells model trains, said: "With this grant I will be able to use the shop window more effectively."

"It will make my shop more attractive and smarten up the area."

"Top of the Town is full of older buildings so I am pleased

• Foyles Newsagents (inset), Top of the Town and Squirrels Antiques owner Alan Stone

to see these grants improve the area."

Alan Stone, 49, who owns Squirrels Antiques, said: "The grants are a good idea."

"By offering financial assistance, the council can take control and insist the job is done to a standard."

"No way could I afford the work needed on my shop front at the

moment during a recession." Work is due to get underway on the shop fronts over the next few months.

The grants are part of Basingstoke's Town Centre Programme, a scheme launched last year led by Councillor Teri Reid.

The programme aims to improve the appearance of

the town centre to help attract shoppers, boost business, and compete with other towns in the county.

Cllr Reid said: "By sharing the cost of the improvement works, we're giving local businesses a helping hand to maintain their buildings whilst improving the look and feel of our town's historic heart."

New banks for recycling could be scrapped

NEWLY installed recycling banks for mixed plastics in the borough could be removed by the end of the month, the borough council has revealed.

The council installed banks in June so more residents could recycle.

However, Recresco, the company that collects and processes the plastics, has told the council that they can no longer continue with the service.

Residents in the borough could only put bottles into their green recycling bins.

But the new banks were for plastics such as yoghurt pots, margarine tubs, food trays, bottle tops and drink cartons.

Cabinet member for community services and the environment, Councillor Hayley Eachus, said: "Having finally found a company that collected and processed mixed plastics within the UK we were keen to get residents to take these items along to their nearest bank instead of putting them in their grey bin."

"It is a huge disappointment that this service may now not continue."

Basingstoke and Deane Borough Council is currently in the process of finding a new company to collect the plastic.

However, if a new one cannot be found, then the banks will be removed from the borough from the week starting on September 29.

Install a water softener and banish limescale!

Hard water is something we are all used to in the South, although most of us have got used to putting up with it, many do not realise that you can do something about it. It furs up our heating systems, causing breakdowns, makes it more expensive to heat our homes and damages our appliances.

The other problem with limescale is the constant cleaning of showerheads, shower screens, stainless steel sinks, the whole house can suffer where water is concerned. Limescale aggravates skin problems such as eczema and psoriasis.

With a water softener no limescale will get into the house, which means you will have to do less cleaning, stop buying limescale-related products, cut washing powder use by up to 75% and have less chance of large bills for potential future problems with your heating system and appliance breakdowns. If you were to purchase an ordinary softener you would have quite a large machine, which requires you to set clocks and lug around a 25kg bag of salt. The TwinTec S3 is different. It is small, requires no electricity and uses block

salt (like two house bricks) instead of heavy bags. Harvey Softeners has been manufacturing softeners in this area for more than 30 years. Kevin Goody (UK Water Softeners) is one of Harvey's top TwinTec dealers and was voted number two in the country last year.

Why is Kevin so successful?

He puts it down to extensive marketing, having a great plumber with over 30 years of experience installing water softeners, good customer satisfaction and recommendations.

Kevin has installed 4100 water softeners in homes in this area over the last eighteen years and arranges everything from initial survey to installation.

Get in touch

If you have an old water softener trade it in for something smaller and more efficient by calling Kevin Goody on: 01276 27924 without obligation. Email: kevingoody@uk-water-softeners.co.uk or visit our websites:

www.uk-water-softeners.co.uk and www.watersoftenersuk.com
Kevin Goody also welcomes trade enquiries.

Top dealer award

Kevin Goody (UK Water Softeners) was voted the number 2 TwinTec dealer in the country at an awards event in Cyprus this month.

This is the fourth year in a row that he has achieved this accolade and over the last 19 years he has never dropped out of the top three dealers.

Kevin has more than 4,500 water softener customers locally spanning over the last 19 years, Kevin is seen obtaining his award from Harvey Bowden owner of Harvey Softeners Ltd and TwinTec dealer/manager Sarah Goody (Kevin's daughter). Kevin's son Andrew is also a TwinTec service engineer.

New customers come from recommendations from existing customers, newspaper adverts, the internet and leaflets. He has 14 Google reviews and 46 independent testimonials on his website.

Kevin also employs James who delivers 20 tons of block salt per month to his customers. He also employs a plumber Rob who installed more than 6,500 water softeners over the last 25 years and used to work for the manufacturers.

MP launches bid to alter law after 500 trees axed

THE axing of 500 trees in Sherfield on Loddon was raised in Parliament last week by Basingstoke MP Maria Miller in a bid to change the law on illegal tree felling.

Mrs Miller wants heavier fines and criminal sanctions to stop "criminal acts of environmental vandalism".

The appeal in Westminster came after the pine trees in Dixon Road were chopped down by landowners in June.

The maximum fine for felling trees is currently £2,500.

Mrs Miller said: "There is real anxiety from residents about the land owners gaining financial benefit from the site after being so destructive."

"Everyone in the local area is devastated by what happened to local wildlife."

"We need to stop this from happening in the future."

A court injunction was granted when Basingstoke and Deane Borough Council launched proceedings at Winchester County Court in June to halt the felling.

Councillor Martin Biermann, of Chineham ward, said: "The council has historically been tardy in penalising developers and individuals who have abused tree protection."

"With regard to our MP's parliamentary activities, anything which will enhance protection of our valuable trees and is fair has my full backing."

Councillor Elaine Still, who

By Mathew Di Salvo

mathew@taylornewspapers.co.uk

lives in Sherfield on Loddon, said: "Laws have to be changed by government and I am pleased Maria Miller has spoken in Parliament for a review and debate."

It came after residents raised concerns that the trees were being axed to make way for travellers on the land north of

Taylor's Farm development.

Two months later a planning application for three touring caravans, three mobile homes, and three wooden buildings with kitchens and bathrooms was submitted.

Residents have until September 26 to make comments on the application after Cllr Still appealed for the consultation period to be extended.

Mrs Miller added: "A review of the sanctions available is needed to ensure that they are acting as

a sufficient deterrent.

"Fines of a few thousand pounds and orders to restock the land that take years to be enforceable may not be enough to stop such criminal acts of environmental vandalism."

Deputy leader of Basingstoke's council, Ranil Jayawardena, of Bramley and Sherfield ward, said: "She is absolutely right to raise the issue - it is not just a problem in Basingstoke."

He added: "The planning application should be rejected."

New levy for developers to be decided

A DECISION on plans for extra charges on developers who want to build large developments in the borough is to be made by Basingstoke and Deane Borough Council next month.

The money would go towards infrastructure.

The council's economic, planning and housing committee is to meet today to discuss the charges - known as the Community Infrastructure Levy.

They would be enforced on most new developments in the borough greater than 100m² of floor space.

The cabinet will be given a report of draft plans this month before the full council will be asked to formally approve the plans next month.

A second consultation is set for six weeks starting on November 7.

The recommended rates start at £35 and go up to £150 per square metre.

Currently the council gets money from developers for facilities for that individual development, such as play areas and roads - known as Section 106 money.

The new levy would go into a 'pot' that could be used for bigger schemes.

Concerns were raised at a January consultation that they could put off developers.

The 3,400-home Manydown development may be exempt because it has to build two primary schools and a library, among other things.

The charges could start in spring 2015.

Bake for charity

BASINGSTOKE: Age Concern Hampshire is appealing to bakers in Basingstoke to raise money for dementia.

People are being asked to host fundraising tea parties for the charity and submit photos of the cakes they have made.

Those who create the most imaginatively decorated cake could win afternoon tea for two at Lainston House, near Winchester.

For more information, call 01962 892449.

Jewellery stolen

BASINGSTOKE: An engagement ring, wedding band and eternity ring were among jewellery stolen from a Basingstoke home last week.

On Monday, September 1, between 5am and 7.15am, burglars forced their way into the back of a house on Gainsborough Road.

Various watches, pocket watches on gold chains and bracelets were also taken.

Anyone with information should call police on 101.

WWI mill display

WHITCHURCH: A free exhibition at Whitchurch Silk Mill has launched, telling the story of the role the mill played during the First World War.

A replica trench coat will be on display.

The exhibition - curated by 14 to 24-year-olds from Whitchurch youth group the Edge Project - will run until September 26 in Winchester Street.

For more information, go to whitchurchsilkmill.org.

Cuts to disabled kids breaks to be decided

PLANNED £1.85million cuts to short respite holidays for disabled children to come into force next year are to be debated tomorrow.

Basingstoke councillor Criss Connor called in the Hampshire County Council decision on August 12, asking for it to be delayed.

The council's Children and Young People Select Committee is due to decide tomorrow if the cuts can be pushed back a year to give charities time to plan how to deal with the loss.

Cllr Connor said: "We want to live in hope rather than die in despair and maybe there will be a little bit of compassion on Friday."

He added: "I will be focussing on trying to get an extra year so they can sort themselves out as they won't be getting much time if the cuts happen next year."

"I don't hold out much hope to get the decision changed but at least we can make the point that we are deeply concerned."

The short breaks allow children with disabilities to take part in fun activities, giving their carers or parents a break.

Co-chair of the Hampshire Parent/Carer Network, Gail Bedding, said the breaks are crucial because social workers are only provided for families with seriously disabled kids.

By Mathew Di Salvo

mathew@taylornewspapers.co.uk

She said: "What we would like to happen is for the cuts to be delayed."

"Then we can work together with families and find out how we are going to get more funding."

"We don't expect a complete turnaround on the decision but the timing of the cuts is key."

She added: "We really need to work out what will happen to parents who have relied on short breaks in the past when the cuts happen."

Councillor Keith Mans, the executive lead member for children's services at Hampshire County Council, said: "As much as we would like to, we cannot sustain the current level of funding and at the same time meet our obligation to provide statutory services such as safeguarding - where we are seeing significant growth in the number of children coming into care."

"This means we are no longer able to offer the same level of discretionary support to disabled children who do not meet the threshold for statutory services."

The meeting is to be held at Ashburton Hall in Elizabeth II Court, Winchester, from 2pm.

New head of fire service named

HAMPSHIRE Fire and Rescue Service appointed a new chief officer this week.

Dave Curry, who currently serves as deputy chief officer, will step up to the role on January 1.

He will take over from current chief, John Bonney, who has been in the role for 10 years.

Mr Curry said: "I am delighted to be taking on the role of Chief Officer for Hampshire."

"It is a position that I know

carries great responsibility, as our service strives to make life safe for every resident living in the country."

"Stepping into the shoes of someone as respected and admired as John will be a tough challenge, but I am confident I can bring a fresh perspective and insight to the role."

Mr Bonney described HFRS as "an organisation that has become one of the most respected and high perform-

ing services in the UK."

He retires on 31 December.

The chairman for Hampshire Fire Authority, Royston Smith, said: "I am very much looking forward to working with Dave when he formally takes up the appointment in January and supporting him in continuing the excellent work that has been achieved in making Hampshire safer and HFRS stronger."

Plans for six homes on industrial site

A PLANNING application for six new homes in Hook is being considered by Basingstoke and Deane Borough Council.

Cast Contracting Ltd, a water management company, submitted the application for a mix of two two-bedroom homes, two three-bedroom homes and two four-bedroom homes as well as 20 car parking spaces.

The application, submitted last month, is asking for permission to demolish a building off Highview Business Park, off Old School Road, Newnham, and replace it with houses.

The building was used by the business but they only used part of the site and have since moved to Lodge Farm Business Park in North Warnborough.

The planning statement pledges additional trees and green areas will be planted on the site.

It also claims the development of the site into a residential area will have a more positive impact on the area than if it was used for commercial purposes.

The site is currently used as storage space.

Bid to save a school in Africa

AS a volunteer in Tanzania, a 22-year-old from Bramley helped a young boy with learning difficulties start school.

But Ailsa Stockwell's next mission is to try and keep the school, for children like six-year-old Junior, up and running.

Funding problems means Patandi School, for kids with difficulties and disabilities, may have to shut its boarding facilities - which six-year-old Junior uses five days a week.

To help raise cash for the school, Ailsa, a childcare worker and marketing assistant, has recruited friends and family to tackle the three highest peaks in Wales.

Ailsa, of Ringshall Gardens, said: "If they don't get the funding they might not be able to board any of the children."

"Just going to a school is important but Junior would struggle in a mainstream school."

"If Junior has the opportunity to keep going to the school it would mean as an adult he can lead a good and healthy life."

ing 1,085m up mount Snowdon in north Wales, 893m up Cadair Idris in mid Wales and 886m up Pen y Fan in south Wales.

Ailsa, six friends and her mum will be pulling on their hiking boots for the task this Saturday and Sunday.

She added: "We don't know what we are in for."

"But by joining together we can sponsor a child, and help the school and the other pupils there."

Ailsa decided to try and raise more than £600 for Junior and the school after travelling to Tanzania twice and volunteering at an orphanage for disadvantaged children.

When she met Junior on her first trip in 2013 she helped his parents find Patandi School for him to go to, which supports kids with special needs, as well as deaf and blind children.

The money will be split 50/50 to fund Junior's school fees and the school's boarding facilities.

The group have already raised £270.

a competition to design eco-friendly Tesco carriers, Alex donated the money to the unit at the Aldermaston Road hospital on Friday.

"I drew the picture when I was in hospital," the Castle Hill Junior School pupil said.

"I am very happy to have won the competition and it's nice to help present this cheque to all the nurses and doctors who looked after me."

The cheque was made out to the hospital's charitable fund, which buys emergency equipment for the hospital.

Alex, who loves drawing, could also see his designs carried on the arms of shoppers around Basingstoke.

A total of 250 of his designs will be printed onto re-usable canvas shopping bags.

Jim Huskins, the store manager at Basingstoke's Tesco in Chineham, said: "The children's unit is a key part of the local community and we are delighted to be able to support it in this way."

The bags promote their new click and collect service.

The unit assesses and treats children referred to the hospital by emergency teams, school nurses or GPs.

The paediatric team reviews the cases and try to avoid hospital admission if not necessary.

Making homes more affordable

I RECENTLY spoke to a group of young people studying for their A Levels and asked what it is they would like to be doing in 10 years time.

All had a clear idea of the careers they wanted to follow - interestingly.

And all of them wanted to have a home of their own.

Whether they could afford to buy a house or flat was something most were more unsure about.

The facts are that in the 1960s their grandparents would expect to buy their own home at the age of 24.

But nowadays it is more like 35.

Now, in Basingstoke, a government backed scheme called 'Help to Buy' is providing real help to aspiring homeowners.

It helps by removing the biggest barrier to home owning - by providing interest free loans to cover most of the cost of a mortgage deposit which currently takes a decade to save for.

Even though the scheme has only been in place for a few months, more than 250 people in Basingstoke have already been helped to buy their own homes.

And more than 40,000 have been helped nationally.

Of these, 80 per cent are first time buyers.

Helping the next generation get the housing they need has to be one of the biggest challenges we face as a community and as a country.

'Help to Buy' is one way to help people have the homes they need.

OCT will give accurate diagnosis:

- AMD
- Diabetic Maculopathy
- Macular Hole
- Epiretinal Membrane
- Early detection of Glaucoma

*It is estimated that approximately 2% of people over the age of 40 will have Glaucoma.

*Statistics obtained from The International Glaucoma Association.

What is an OCT scan?

This practice has invested in the very latest OCT scanning technology.

An Optical Coherence Tomography (OCT) scan is a unique test which uses near-infrared light reflected off the retina to produce a high resolution 3-Dimensional scan of the retina and associated structures.

It is particularly useful in the assessment of patients with AMD, Diabetic Maculopathy, early detection of Glaucoma and the management of these diseases. The test is non invasive, quick and entirely painless.

Am I at risk of Glaucoma?

Are you over 40?
Do you have a family history of Glaucoma?
Are you short sighted?
Do you have diabetes?
Are you of African-Caribbean origin?

If the answer is yes to any of these questions, then you are at an increased risk and should definitely have your eyes tested regularly.*

Why has this practice invested in OCT?

We believe this advanced imagery allows us to detect and monitor early stages of diseases and as this examination is not available under the NHS, we make an additional charge for this scan. Please ask for further details.

This assessment of your eyes using OCT Technology will give us the most accurate diagnosis possible and help us give you the best advice to protect your sight and the health of your eyes.

Your eyes deserve the benefits of cutting edge technology available at this practice.

Comic: how to be happy

COMEDIAN Jon Richardson, known for being a team captain on the hit TV series '8 out of 10 Cats' as well as his stand-up routines, comes to The Anvil in Basingstoke next week.

Jon is returning to the road with his Nidiot tour, documenting his determination to become a more easygoing person.

The show tells of his strive to change, and whether he succeeds or whether he is doomed to be angry forever.

"The main theme for Nidiot is being happy," said Jon.

"Because I now live with my girlfriend, this is the first time I've gone on tour as a happy person."

"The show is about me looking back and realising that nothing was really wrong - I created problems for myself by over-thinking things."

"I came to the realisation that I hadn't been happy for the last 10 years because I'd thought too much about risks rather than just having fun."

"Now I fight less, but I tut a lot more."

Stand-up and touring is something

By Adam Flinn

adam@taylornewspapers.co.uk

Jon has been doing for many years, and has risen to become one of the country's most well-known comics.

He also regularly appears on TV and radio, including on 'Live at the Apollo', 'Have I Got News For You' and 'Never Mind the Buzzcocks'.

"I'll be doing stand-up for the rest of my life," Jon added.

"The opportunities that it grants you can't be denied. It is both the hardest thing I do and the thing I enjoy most."

"I'm obsessed with keeping things tidy, so when I'm focused on the job in hand on stage, it's a blessed relief from folding towels in the dressing room!"

Jon comes to The Anvil next Friday from 8pm.

TEENAGERS at a Basingstoke-based theatre group have revealed their latest show coming to the stage – the 1970s classic Grease.

Limelight, the youth arm of Basingstoke Amateur Operatic Society (BAOS), are set to bring the iconic musical to Queen Mary's College at the end of next month.

They will be performing songs from the '70s through to the present day, telling the story of Danny, Sandy, and the rest of the pupils of Rydell High School.

Limelight's production of Grease comes after they staged Fame Jr back in April, with the group having grown to 30 members since then.

Stephanie Webb, who founded BAOS Limelight in 2011, is pleased with how the group has developed over the past three years.

She said: "Each production pushes the young people further, challeng-

ing them to reach a little higher and to discover talents in acting, singing and dancing that they hardly knew they had.

"Fame was enormous fun for everyone and our audiences clearly thoroughly enjoyed it, but Grease is so well-known that recreating it, Limelight style, is going to be a big challenge.

"If anyone can pull it off, then the Limelighters can!"

Richard Cox takes on directing duties for Grease, while Simon Eastwood stays on as musical director and 15-year-old Zoë Blackall is the choreographer.

Zoë has previously choreographed individual dances for several Limelight shows, but this will be the first time she has taken on the role for an entire production.

Grease is running at the college on October 31, November 1 and November 2.

For more information, go to baos.org/limelight.

Kia's serious contender

THIS third-generation Kia Sportage is the Korean firm's key contender in the highly competitive compact SUV/crossover market.

Penned by German automotive designer Peter Schreyer, the Sportage's tall dimensions give it a premium SUV presence, enhanced by a 'tiger nose' and sharp, wrap-around headlights.

FACTS at a glance

Kia Sportage 2.0 CRDI KX4 AWD
Price OTR: £29,505
Engine: 1995cc 4cyl turbodiesel
Max power: 181 bhp @ 4000 rpm
Max torque: 382Nm Nm at 1,400 - 2,500 rpm
Transmission: Six-speed automatic, All-wheel drive
0-62mph: 9.4 seconds
Top speed: 121mph
Economy/CO2: 39.2mpg, 189g/km

REVIEW: Kia Sportage 2.0 CRDI KX4 AWD
By **Philip Shoulder**
@writeonmotoring

The majority of the Sportage range is available in either two or All-Wheel Drive form, with the exception of this All-Wheel Drive only KX-4 range top-per.

On the road the Sportage shows itself to be more about delivering comfort and refinement than a sharp dynamic steer.

Not that this is necessarily to its detriment - Kia's SUV actually feeling more attuned to everyday driving.

The ride is soft and pliant with a well-judged compromise between body control and handling response.

Unique to this £29,505 KX-4 is an 181bhp version of Kia's 2.0-litre CRDi turbodiesel engine.

Developing 382Nm (282lb/ft) of torque from 1,800rpm to 2,500rpm, the motor always feels strong and responsive and can propel this SUV to 60mph in 9.4 seconds and onto a top speed of 121mph (in automatic guise).

Emissions and economy aren't so great, with 189g/km of CO2 and an offi-

cial combined cycle figure of 39.2mpg. However, manual models do score better on both counts (158g/km of CO2 and 46.3mpg).

Once inside, you'll instantly feel at home, thanks to large comfy leather seats, a spacious airy cabin and attractive, ergonomically sound dashboard.

The large, well positioned touch-screen system controls audio and car systems, with easy-to-use satellite navigation.

True, some plastics feel a little cheap and switchgear doesn't quite have the polish of German rivals, but these are minor niggles, all things considered.

It is a shame the front passenger seat doesn't have the height and lumbar adjustment of the driver's chair.

Some may also find the rear vision a bit restricted, although this Sportage gets a reversing camera as standard.

Boot space is competitive - trouncing both the Nissan Qashqai and Skoda Yeti.

Seats up, there's 564 litres on offer. With them down this extends to 1,353 litres.

This Sportage KX-4 comes fully loaded with equipment and builds on

• The Kia Sportage 2.0 CRDI KX4 AWD

the specification of the KX-3 Sat Nav by adding a Parallel Parking Assist System - which is complete with all-round parking sensors - a keyless smart entry system and engine stop/start button as well as stainless steel door scuff plates.

VERDICT:

The Kia Sportage is a fine effort from the Korean firm. It stands out from many class rivals, boasting visual presence, good build quality and almost luxury comfort. Only the below average fuel economy counts against it.

A: Call Basingstoke (01256) 321800

Call Fastfit Service Centre, Basingstoke, NOW and let us take the worry out of your car maintenance for ever!

Taking care of your motor

FASTFIT Service Centre is celebrating its tenth anniversary at Unit One, Moniton Trading Estate in West Ham Lane.

And the independent automotive specialist is proud to be expanding in a bid to give its customers exactly what they want. "Everything your car needs is here under one roof", explained manager Byron Lewis who, like his team of experts, has spent a lifetime in the automotive industry.

He added: At Fastfit we offer hourly rates which are some of the best in Basingstoke. No job is beyond us and we are quite simply a one-stop shop and more besides. Whether it's an entire engine overhaul or just tweaking the brakes, we will do it, and do it well."

The business is continually expanding and includes a new mobile tyre fitting and home start service. A comprehensive diagnostic service can also be provided and the business issues many dealer level tools ranging

from Ford, Jaguar to Land Rover and Volkswagen.

Fastfit offers everything from MOTs and minor servicing to major repairs and complex engine work.

More complex issues include an Engine Control Unit (ECU) remapping service which makes the vehicle more responsive and smoother to driver. In these tough time, it also slightly increases the miles-per-gallon!

Fastfit Service Centre also stocks a range of budget or performance tyres and it can also custom build stainless steel exhaust systems.

"Come and give us a try. You won't be disappointed," concluded Byron.

What our customers think

• My car had been taken to three different repair centres which was suffering from low power none of them diagnosed the problem. I took it to these guys for a remap and full exhaust in the hopes it would fix it. It was better but Byron still thought it wasn't right so spent another couple of hours diagnosing it!

He didn't charge me extra and even finished after they should of closed. You just don't get that kind of service these days. Amazing!

Cheers,
Clive Baldwin

• Great service from the whole of the Fast Fit team. They know what they are talking about and are happy to help with any query.

I wanted something activated on my car that was not activated at the factory. A dealer wanted upwards of £100 to do the job. I contacted Fast Fit and they have the same Dealer Software. Done the job quick and for a third of the price!

These guys definitely know what they're talking about and I would recommend them to anyone!

Chris H

• Excellent service! Very polite and great value for money prices! I will recommend to friends and family. If you need your car repaired at the right price don't look any further.

Mixed results for Bison in first fixtures

A DISAPPOINTING defeat for Basingstoke Bison was quickly followed up with an emphatic win ahead of the start of the English Ice Hockey Premier League season, which begins this weekend.

Facing Guildford Flames in both matches, Bison's first game since April ended in a tight 3-2 defeat on home ice on Saturday.

Goals from captain Nicky Chinn and Joe Rand weren't enough for the Herd in front of a crowd of almost 1,000.

But Bison rallied on Sunday, and romped to a 6-2 win in the reverse fixture.

Andy Melachrino scored either side of the first break to get the Herd off to a strong start, before Rand and Kurt Reynolds extended Bison's advantage.

Rand scored his second in the final period, and Tomas Karpov added the sixth towards the end.

Focus now turns to the start of the league, with Bison hosting Peterborough Phantoms in their season opener on Saturday.

They begin their cup campaign with a trip to Chelmsford Chieftains the following evening.

Collard recovers to collect points haul

• Rob Collard recovered from a difficult qualifying session (Picture by Jakob Ebrey)

HOOK-BASED racing driver Rob Collard put a disappointing qualifying session behind him to score solid points in the British Touring Car Championship at Rockingham on Sunday.

Problems with car setup meant that Collard could only put his eBay Motors BMW 16th on the grid on Saturday.

A strong start saw Collard move up five spots to 11th, but was unable to progress further after battling with several drivers around him.

He had moved up to ninth by the

end of race two, before collecting his best result of the day in the final race by coming sixth.

"The weekend finished on a real high after what started out looking like a tough event," said Collard.

"I just couldn't find the right balance and speed in the car for qualifying but we improved things a lot overnight, and I think you could see that in the results

we achieved."

However it was a miserable weekend for Odiham's Nick Foster, who could only pick up one point over the weekend.

Foster had out-qualified team-mate Collard but was overtaken by him on the opening lap.

Problems for other drivers moved Foster up to 15th spot, ensuring he collected one point for his efforts.

Race two was a disaster as a crash with fellow competitor Tom Ingram forced him out of the race.

And the damage was so severe

that his car couldn't be repaired in time for race three, meaning Foster had to sit out.

"It was a real shame," said Foster.

"I felt we had the pace to make our way up the order and hopefully be in a good position for race three, but unfortunately it wasn't meant to be."

Collard dropped a place to fifth in the standings after Rockingham and has 242 points, while Foster is 16th with 77 points.

The next event, the penultimate of the season, takes place at Silverstone on September 28.

Sport Bites

Joy for 'Stoke

BASINGSTOKE RFC got off to a winning start in their return to the London One South, with a 33-29 home victory against Dover.

'Stoke enjoyed a convincing first half to take a 16-5 lead, and managed to hold off Dover's fightback to clinch the win.

It means that Basingstoke sit fourth in the standings after their first fixture with four points.

They return to league action on Saturday with the short trip to Guildford.

Rose through

JUSTIN Rose has qualified for the PGA Tour's season ending tournament after hanging on to his top-30 spot in the FedEx Cup Playoff rankings.

Rose sits 26th after the first three competitions in the play-offs, coming 35th in last weekend's BMW Championship.

The leader of the FedEx Cup after the season-ending Tour Championship, which begins today, will win \$10million for his efforts.

Last year Rose finished 10th in the FedEx Cup standings, with his best result of fifth coming in 2011.

Archie's on top

BASINGSTOKE sports car driver Archie Hamilton took his first International GT Open victory on Sunday, leading from pole in race two at the Belgian circuit of Spa Francorchamps.

He and team-mate Issac Tutumlu had a frustrating first race after a steering problem caused Tutumlu to crash the SRT Racing car into the barriers.

But race two was much smoother, as the pair led the entire race for their first victory together.

It means that Hamilton is up to 11th in the championship with 73 points, 85 behind former Formula One driver and standings' leader Andrea Montermini.

The next races are at the Italian track of Monza from September 26 to 28.

Success for non-league teams in FA Vase first qualifying round

HARTLEY Wintney, Whitchurch United and Tadley Calleva all progressed to the second qualifying round of the FA Vase on Saturday.

Wintney beat Holyport 3-2 at

home, while Whitchurch's trip to Almonsbury UWE also ended with a 3-2 victory.

Calleva were also successful, as they beat Alton Town 2-1.

All three play their next FA

Vase fixture away from home on October 4, with Wintney due to face Highworth Town, Whitchurch travelling to Chippenham Park, while Calleva take on Hook Norton.

Elsewhere, Hartley Wintney were knocked out of the FA Cup after losing 5-4 Ardley United.

Wintney drew their first match with Ardley 1-1 last Tuesday before this week's replay.

Whitchurch return to Wessex Premier League action at home against Hamworthy United on Saturday, while Calleva host Hythe and Dibden in the Wessex First Division.

World Cup winner decides against move to north Hampshire

BRAZIL STAR RONALDINHO PLUMPS FOR MEXICO OVER BASINGSTOKE

JASON Bristow admitted the prospect of Brazilian World Cup winner Ronaldinho signing for Basingstoke Town was "very unlikely", but said the ambitious bid had "put the town on the map".

The club announced they had offered the 34-year-old a contract last week, but on Saturday it was revealed the bid was unsuccessful.

Ronaldinho, who has played for Barcelona and AC Milan, joined Mexican side Queretaro instead after leaving Atletico Mineiro in Brazil.

It was a deal driven by the club's marketing director Simon Hood and Bristow said he had no involvement in the bid.

"Simon took that under his wing and made the offer and unfortunately he has decided to go elsewhere," said Bristow.

"But it was a great 48 hours for

the club with the publicity we were getting and it has really put the town on the map - it was a great venture for us."

He continued: "There was an offer on the table.

"They had not turned round and point blank said 'no', but realistically it would have been very unlikely that he would have come to Basingstoke with all the other offers he was going to be getting.

"It was fun while it lasted, but we never really got carried away."

While Ronaldinho was preparing for life in Mexico, Town recorded their fifth win of the season last Saturday with a 3-2 victory over Bishops Cleeve.

Chris Flood (2) and Liam Enver Marum scored as Town briefly went top of the Vanarama Conference South, until Boreham Wood's 5-2 win over Eastbourne Borough on Monday night.

Town sit second in the table, a point behind The Wood, and Bristow is challenging his players to continue their early season form.

"We knew we had to start the season well," said Bristow, "I think when we have got a fully fit squad we are in a good place.

"It is a competitive league and everyone feels they can win games and it is something we need to continue doing if we are to maintain our push to be in the top 10."

On Saturday, Basingstoke made the short trip to Havant & Waterlooville, who they beat in the Hampshire Senior Cup final in May.
